

Energy-efficient LED lights provide optimal illumination

Item no:LED-29KP  
LED-99KP

**Features:**

1. Longer lifetime than conventional lights.
2. Easy installation and maintenance.  
The LED-29KP is installed on machine head and LED-99KP is mounted on machine table.
3. Low energy consumption
4. Wide voltage range from 110V to 240V

**Specification:**

LED:3W High Power LED \* 3 pieces  
CURRENT: 500mA DC12V  
COLOR: White 5,500K ~ 7,000K  
LUX.:90 Lux
